WHO WE ARE

Durandisse Capital Group (DCG) is the proprietary investment holding company and strategic capital allocation subsidiary of **Durandisse Industries.**

Our mission is to **preserve, compound, and deploy capital** through disciplined investments, strategic acquisitions, and long-term ownership of exceptional businesses and financial assets.

Unlike traditional investment firms, DCG invests **exclusively its own capital.** We do not manage assets for outside investors or raise public investment funds.

“

We invest with patience, discipline, and a long-term ownership mindset.”

OUR PHILOSOPHY

LONG-TERM THINKING

We believe enduring wealth is created through patience, discipline, and intelligent capital allocation.

PRESERVATION FIRST

Protect capital before seeking extraordinary returns.

STRATEGIC OWNERSHIP

Acquire quality assets rather than speculate.

CONTINUOUS REINVESTMENT

Compound returns by continuously reinvesting profits into high-quality opportunities.

INVESTMENT STRATEGY

PUBLIC EQUITIES

Long-term ownership of high-quality publicly traded companies.

PRIVATE INVESTMENTS

Strategic ownership interests in private businesses.

VENTURE CAPITAL

Investments in innovative companies with exceptional long-term potential.

STRATEGIC ACQUISITIONS

Acquiring businesses that strengthen the Durandisse ecosystem.

CAPITAL ALLOCATION FRAMEWORK

Our disciplined capital allocation process ensures that profits are strategically deployed to create long-term value across asset classes.

WHY DCG

INDEPENDENT

We invest our own capital.

DISCIPLINED

Every investment follows a structured evaluation process.

LONG-TERM

We focus on durable value creation rather than short-term market movements.

STRATEGIC

Capital is deployed where it strengthens both investment returns and the broader Durandisse ecosystem.

CORPORATE STRUCTURE

A diversified ecosystem of companies working together to build value and create enduring opportunities.
